Comn	nent for planning application wscc/0/8/19
Application number	WSCC/078/19
Name	Elaine Hunt
Address	The Reading Room Church Street West Chiltington RH20 2JW
Type of Comment	Objection
Comments	West Chiltington Parish Council objects based on the fact that an extension has already been granted previously, and that it feels the applicant has had enough time. It feels strongly that the site ought to now be restored. It also feels very strongly that should West Sussex County Council see fit to grant this further extension, then it ought to secure a sufficiently large bond to restore the site in the event that UKOG should encounter financial difficulties before the work is done.
