Comment for planning application WSCC/004/20	
Application number	WSCC/004/20

Address	1 Fairlawn Drive rh19 1nr
Type of Comment	Objection
Comments	I strongly oppose to the proposal. Those roads are already difficult to navigate with normal traffic think what could happen with all those hgvs driving around. My son 's school is also on west hoatly road and there are kids crossing that road everyday, it is already dangerous as it is. It is a really badly thought out proposal, those roads are not made for hgvs traffic. Thank you for your attention.
