Comment for planning application WSCC/004/20

Application number Name	WSCC/004/20 Alexandra Gooding
Address	CHEVALHURST, DUNNINGS ROAD, DUNNINGS ROAD, EAST GRINSTEAD, RH19 4AD
Type of Comment	Objection
Comments	This application will cause a huge amount of HGV traffic to be travelling through residential and town centre roads which are not suitable. The disruption, noise, damage to highways, increased risk of accidents is not comparable to the proposed benefits. This area is already agricultural with no current scientific evidence of damage to the environment. The infrastructure does not support the activity and unless there is a proven risk to public health the issues this will cause far outweigh any perceived benefit. I strongly object to this proposal.
