| Comments | Dunnings Road simply can't cope with 35 HGVs per day! Firstly, people drive too fast along the road, there are constant issues with parking, particularly outside the shop, it is a school pedestrian route that has NO school crossing patrol, the road surface is atrocious already. Finally, West Hoathly Road is very narrow with rocks either side so there will be a constant issue of congestion or the lorries potentially having to reverse! This is a ridiculous proposal and if passed will lead to accidents! |
