Comment for planning application wSCC/004/20

Address	14 Sackville Close, East Grinstead, West Sussex
Type of Comment	Objection
Comments	The roads to be used to carry out this unneccessary Land Fill cap (which has already been carried out once in the 1980's) are totally unsuitable for HGV's. East Grinstead's roads are already very busy and in a very poor state of repair which will be made much worse by increased daily HGV traffic of this nature. The increased HGV traffic on these roads, many of which are narrow will drastically increase the risk to both pedestrians and other road users in the area of East Grinstead concerned!
