Type of Comment	Objection
Comments	Dunnings road has a school numerous pre schools and nurseries The west hoathly road is just ridiculously to narrow any way but this is just a crazy idea to bring them in this way. It will end with blocked roads and damaged cars. Maybe even worse. Obviously the correct way woykd be the same way they come in is the way they go back! But they know that they dont want to meet each other comming towards each other! But thats going to happen anyway with lorries cars busses and coaches passing through dunnings. Absolute f****n joke of a plan, probably made by people that dont live or even know the area. This application can not go ahead !!!
