Comment for planning application WSCC/004/20

Application number	WSCC/004/20
Name	Joy Hill
Address	DORSET AVENUE, 43, DORSET AVENUE, EAST GRINSTEAD, RH19 2AD
Type of Comment	Objection
Comments	An application of this type is entirely inappropriate. Dunnings Road is wholly incapable of supporting this high volume of heavy vehicles. The road surface is poor at the best of times and will be destroyed by this volume of heavy vehicle movements, not to mention the school access and resident's peace and quiet. No, no, no. Find another venue in a less populated location.
