Comments	Since I have lived here I have seen the erection of a care home 2 sets of housing estates and another one in the process. Although we aren't against progress this is just a step too far . This road is already dangerous with speeding vehicles and with nursery schools , churches , retired and elderly people in the area play ground and walkers along with the road not being sustainable and House foundations getting damaged . We only have one option but to oppose this planning request the road or the area won't take it it is far too dangerous .
