Comm	ient for planning application wscc/004/20
Application number	WSCC/004/20
Name	Mrs Joanne Pamplin
Address	WITHYPITTS HOUSE, SELSFIELD ROAD, SELSFIELD ROAD, CRAWLEY, RH10 4PW
Type of Comment	Objection
Comments	This application is simply ridiculous, the roads involved are far too narrow for HGV vehicles to travel safely. Turning left out of Standen to Saint Hill is so narrow that cars have to crawl past each other to avoid losing wing mirrors. The road itself has high rocky sides to it so there is no option to pull onto verges to pass. There are also blind bends and it is steep. If this proposal is to go ahead then the whole system will have to be made one-way for all vehicles. As a volunteer at Standen who travels from Saint Hill, the thought of meeting an HGV coming the other way on this section of road is truly frightening.
