Application number	WSCC/004/20
Name	Ben williams
Address	YEWTREE FARM, COPTHORNE ROAD, COPTHORNE ROAD, EAST GRINSTEAD, RH19 2QQ
Type of Comment	Objection
Comments	The roads cannot cope with 35 hgvs a day. They are in a terrible state as it is and very narrow for this much hgv movement. Plus the field is grassed and this supposed capping was done years ago already. I presume the landowner wouldnt cap it if he wasnt going to be paid lots of money for everything they dump there?
