Comment for planning application WSCC/004/20	
Application number	WSCC/004/20
Name	Atalia Bhangu
Address	MORTON ROAD, 33, MORTON ROAD, EAST GRINSTEAD, RH19 4AF
Type of Comment	Objection
Comments	To be completely honest, this really looks like an excuse to make money and no real basis in reality. The disruption to our town will be immeasurable and brings days of misery to its people. The traffic through East Grinstead is already famous for the stress it brings to all those who use the A22. This will only add to it. Please immediately stop this application in its tracks. Thank you, from an East Grinstead resident of 42 years.
