Comment for planning application WSCC/004/20

Application number	WSCC/004/20
Name	Mrs Kathryn Ellis
Address	HOSKINS PLACE, 6, HOSKINS PLACE, EAST GRINSTEAD, RH19 3EQ
Type of Comment	Objection
Comments	East Grinstead is already overrun with traffic, the roads are covered with pot holes as a result of poor weather and the volume of traffic. The sheer volume of HGV's being used in this proposal is going to cause havoc on the already busy roads. The junction between St Hill Road and Imberhorne lane is already quite dangerous adding fuel to that fire will cause accidents and congestion.
