Comn	nent for planning application wSCC/004/20
Application number	WSCC/004/20
Name	Paul
Address	STOCKWELL ROAD, 78, STOCKWELL ROAD, EAST GRINSTEAD, RH19 4AU
Type of Comment	Objection
Comments	It seems that sending a truck on average every 15 minutes down narrow residential roads near a 300-child primary school, past two nurseries, the entrance to a children's playground and another small school, all just on Dunning's Road, is irresponsible and has huge potential safety implications, as well as the air quality issues surrounding a large quantity of high-polluting HGVs entering poorly maintained and unsuitable roads. Factor in that they will be on a bus route, and there are places where it will be incredibly difficult to pass, and it's hard to see how this could be conceived to be a feasible idea if the quality of life and safety of the local community are taken into account by those making the decision. Dunnings Road is already in desperate need of a crossing to help the large number of children going to The Meads school, but the money has not been found for this, and adding a large number of heavy goods vehicle through the day introduces a high risk of serious incident.
