

Customer Details

Name: Mr Allen Barnes

Address: 11 Martyn's Place East Grinstead

Comments Details

Commenter Type: Neighbour or general public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: If this development is allowed to go ahead then the Council should insist that a wheel scrubber and vehicle cleaner is installed on the site. All vehicles leaving the site should be inspected for debris (mud etc..) and a record of the vehicle and its cleanliness maintained so in the event of 'muddy roads' appearing blame can be apportioned.

Also what provisions are in place to determine the type of material to be used for the 'capping'? Can't be hazardous waste.

Will the developer be paying a premium to the Council for wear and tear on East Grinstead road system? Suggest this should be £1000 per vehicle load and be paid to the town council for use by local people NOT MSDC or WSCC.
