Comment for planning application wSCC/004/20	
Application number	WSCC/004/20

Address	MASON CLOSE, 19, MASON CLOSE, EAST GRINSTEAD, RH19 3RR
Type of Comment	Objection
Comments	I object to this plan as it involves a large number of Heavy Good Vehicles (HGVs) travelling through roads in and around East Grinstead, which are not designed for this and which are already heavily used by motor traffic. This makes it very difficult for pedestrians and people on bicycles to get around safely and the increase in motorised traffic will only make this much worse and increase the dangers to vulnerable road users. The HGVs will not only cause traffic jams for other motorised users but will be very noisy for residents along the route and will make the town centre very congested and difficult for pedestrians to get about and cross the roads. I do not consider that the need for this for the benefit of one person, the applicant, justifies the disruption to the lives of so many people in and around East Grinstead, especially with the potential to increase traffic accidents which can easily result in loss of life.
