

Comment for planning application WSCC/004/20

Application number	WSCC/004/20
Name	Sarah abajo
Address	MILL WAY, MILL WAY, EAST GRINSTEAD, RH19 4DD
Type of Comment	Objection
Comments	The roads can't cope with the proposed hgv's. There are two local schools where children cross the toad and the extra traffic will make it unsafe for them. The extra pollution will impact on health. The noise from evergreen farm will have a negative impact on the children of trefoil montessori school.
