Comments	The Meads Primary School would like to express concerns about the impact this will have on our families when travelling to and from the school along Dunnings Road. This is already a very busy road and having increased traffic from very large lorries will create issues for our families when attempting to cross the road safely. There is currently no school crossing point, so safety is a big concern. The school therefore requests that the lorries be prevented from using Dunnings Road between 8.30am and 9.15am, and between 3pm and 4pm.
