

## **Customer Details**

Name: Mr ROBERT CARVER

Address: Dickins Coombe Hill Road East Grinstead

## **Comments Details**

Commenter Type: Neighbour or general public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I object strongly to the proposal that a large number of heavy lorries should be routed through Dunnings Road on their way to a landfill site at Evergreen Farm. Dunnings Road is a residential road with a shop, a public house and church on the road and a primary school very close. Furthermore cars are parked on both sides of the road.

As one proceeds further along West Hoathly Road beyond the residential area, the road is bounded by rocks. In places it is impossible for 2 cars travelling in opposite directions to pass. To route lorries in large numbers through this bottleneck would be irresponsible.
