Comment for planning application WSCC/004/20

Application number	WSCC/004/20
Name	Sarah
Address	KYMIN, MORTON ROAD, MORTON ROAD, EAST GRINSTEAD, RH19 4AF
Type of Comment	Objection
Comments	This area is popular with cyclists and walkers. Having lorries coming up Dunnings road and around this area will create a risk. The roads are also in a state of disrepair and this will only exacerbate this. The area has a primary school with mums and pushchairs trying to cross the road. The visibility isn't always good due to parked cars. Lorries will also cause a hazard for the parents and children.
