Comm	ient for planning application wscc/004/20
Application number	WSCC/004/20
Name	Caroline Donaghy
Address	OCTOBER, SAINT HILL ROAD, SAINT HILL ROAD, EAST GRINSTEAD, RH19 4JU
Type of Comment	Objection
Comments	I object to this application as a local resident on environmental grounds, air pollution, CO2 emissions, noise, the impact on traffic in an already dangerous sets of narrow roads in a small town. Saint Hill Road is in an AONB and we already have serious issues with traffic including narrower parts of the road where traffic is unable to pass and this application would accerbate the problems experienced by road users as well as myself as a local resident. I will be seeking to engage with local ward councillor(s) about this matter as well as formally objecting to the application by submitting my response herewith.
