Comment for planning application WSCC/004/20

Application number	WSCC/004/20
Name	Verity Huntingford
Address	STOCKWELL ROAD, 14, STOCKWELL ROAD, EAST GRINSTEAD, RH19 4AU
Type of Comment	Objection
Comments	Then road is dangerous enough with two cars let alone a bus and a car what happens when the bus and HGV meet? Also this will ruin the road surface and cause all sorts of environmental problems. The deer also use this road as a crossing so they will suffer more than the humans.
