Address	DUNNINGS ROAD, 105, DUNNINGS ROAD, EAST GRINSTEAD, RH19 4AQ
Type of Comment	Objection
Comments	If this proposal goes ahead, this will represent a significant safety risk to both lorry drivers & other road users due to the very narrow access on the planned route. It is also worth taking into account the primary schools & nursery's en route putting families further risk! Not to mention already the main road is in very poor condition this will cause extreme wear & tear due to their loads. If this is allowed to go ahead without any doubt I'm sure there will be a fatality as a result of it!
