Collin	ient for plaining application wscc/004/20
Application number	WSCC/004/20
Name	Peter Thorne
Address	HOLLYBUSH, STANDEN, WEST HOATHLY ROAD, WEST HOATHLY ROAD, EAST GRINSTEAD, RH19 4NE
Type of Comment	Objection
Comments	The proposed lorry route remains as dangerous as ever. Between the entry/exit point on West Hoathly Road and Standen the road is very narrow with steep sandstone rock outcrops on the sides. There is barely enough space for two car to pass safely, let alone two large HGVs. The road from Standen to Saint Hill Green is also narrow and has a blind corner. The same can be said for the proposed route to the A22 from Saint Hill Green. All these lorries travelling along this route are bound to cause serious accidents over the extended period of operation of the site. The proposals should be rejected and the applicant should be barred from submitting more such applications. It also remains unproven that there is a need to cap the existing landfill anyway.
