Dear Sir,

re: **Restoration of Standen Landfill Site**

I would like to register my objection to the above proposal, due to the chaos this would cause with the combination of large container lorries and the hundreds of cars that visit Standen House and Gardens, nearly all year round. The narrow approach road connecting East Grinstead with Standen already has, in busy times, queues stretching back to East Grinstead one way and Saint Hill Green the other way - a particularly narrow, bendy stretch of road. Accidents would be bound to occur, coupled with a high degree of driver frustration!

Yours Faithfully,
Mrs N C Watkins.
