Dear Chris

Re: Planning Application No. WSCC/004/20 – Additional Information relating to the restoration of the former Standen Landfill site with a woodland and pasture landfill cap system at Evergreen Farm, West Hoathly Road, East Grinstead

Our Ref: LGW4090

Thank you for your email/letter dated 15 April 2021, regarding the above mentioned planning consultation.

The proposed additional information and the development as a whole have been examined from an aerodrome safeguarding perspective and do not conflict with safeguarding criteria. We, therefore, have no objections to these proposals.

Should the design be amended and any water bodies are proposed, I would be grateful if we could be re-consulted.

If you have any queries please do not hesitate to contact me. Please accept my apologies for the delay in replying.

Yours sincerely

Amanda Purdye, Aerodrome Safeguarding
