Comm	nent for planning application WSCC/004/20
Application number	WSCC/004/20
Name	Mark Magee
Address	STREATFIELD PLACE, 4, STREATFIELD PLACE, EAST GRINSTEAD, RH19 4RQ
Type of Comment	Objection
Comments	Nothing significant has changed since the last application: There is still a nursery opposite (with heavy foot traffic) There is still a play park right there The traffic coming down West Hoathly road is still dangerous (without additional HGVs) Also - finding this app was difficult (even with the number!) and attempting to comment on a mobile device failed, there may be more people in the same situation
