Application number	WSCC/004/20
Name	Renuka patel
Address	CAMPBELL CRESCENT, 78, CAMPBELL CRESCENT, EAST GRINSTEAD, RH19 1JS
Type of Comment	Objection
Comments	No proper mention of pedestrian safety on this route. No proper mention of how the roads will be maintained with further damage from large vehicles. Roads are already in awful state around the a22 and in the area in general. Imberhorne lane traffic in the peak time is very bad already so how this proposal can say no change in traffic to the route is in itself worrying. No mention of safety to schoolchildren. Alternative route to reduce traffic to this area are available and should be used
