Dear Sir,

We have been made aware of your plan for Evergreen Farm by a neighbour and we strongly object to The Proposed Plan of HGVs (62 a day) using Imberhorne Lane.

We are surprised that you are even considering such a proposal. Apart from the danger to school children and dog walkers, noise and inconvenience, what about the ENVIRONMENT? Is this just a money making proposal?

Plead do not approve this Planning Application.

Yours faithfully,

George, Jean, Colin, George and Ross Hepburn
