DATE: 16/4/21

Consultation date: 15/4/21

REF.: WSCC/004/20

LOCATION: Evergreen Farm, West Hoathly Road, East Grinstead

PROPOSAL: Restoration of the former Standen Landfill site with a woodland and pasture landfill cap system

RECOMMENDATIONS: None

SUMMARY: No objections.

COMMENTS: The site is shown on the historic OS mapping for 1872-74 as an informal park associated with The Beachcroft Towse (MWS150). However subsequent land-use has changed the landscape and nothing remains of this parkscape. The proposed restoration will help restore the landscape to something closer to this historic parkscape. There are therefore no archaeological objections to this proposal.
