| Address            | TIMBERS ROOST, BROADWATER LANE, BROADWATER LANE, HORSHAM, RH13 6QW  |
| Type of<br>Comment | Comment   |
| Comments           | I believe I am right in saying that this site was previously used for the same purpose. I would ask that if this application is approved that a restriction is placed upon the heavy vehicles going to and from the site preventing them from using approach roads other than the A272 and A24. On the previous occasion my road, Broadwater Lane, Copsale was subjected to continual use by the heavy vehicles which caused damage to the road and danger to other road users. Such local roads should be specifically named and restricted. |
