Comments	Good evening, I hope this message finds you well. Yapton, Ford, Barnham, Walberton and other neighbouring villages, I think it's fair to say, have had their fair share of new developments. These include the ones already developed let alone the close to 650 houses on the horizon. To then approach this such an enormous construction, which I think anyone can agree, will be a complete and utter eyesore. It is tiring to say the least. Of any walk or angle this, and other versions of the construction will be seen and shall uttlery ruin any walks and paths in numerous local areas. I'd hope to believe that our local council have a least some respect for the local area to not pursue this development. Kind regards J. Arch
