Comment for planning application WSCC/036/20	
Application number	WSCC/036/20
Name	D Gibbs
Address	STATION ROAD, 4, STATION ROAD, ARUNDEL, BN18 0BJ
Type of Comment	Objection
Comments	This application should be rejected as the original application for a similar, but better plant for the site has been approved and accepted by those who live and work locally. This new application is considerably larger and should not be approved. The road network leading to the site is already overloaded and can't take more vehicles. Pinch points either from the A27 to the north or the A259 at Climping to the south will lead to increaded traffic pollution, this is before the new airfield housing estate is built.
