Comments	We moved from Surrey nov 2019. It was mainly for health reasons. I am so sad 2 now find the councils plans 2 build an incinerator not that far from our new home. Having gone in2 remission from cancer i am now concerned. Not only is it medically wrong it will ruin the beautiful area . The eyeline of rural wil b blighted by the monstrocity. The coming + going of not only the builders traffic but the eventual lorry traffic that would b generated is far 2 much 4 the existing roads apart from the noise. My road tax each year was designed 2 keep the roads in good order(questionable) but i + thousands of other road taxable cars would not doubt in the not 2 distant future wil end up paying 4 the damage these constant lorries would create. Why yet again r powers that b determined 2 ruin this lovely peaceful area that i was so happy + proud 2 live in. Planning permission SHOULD YET AGAIN NEVER GOT PAST IT'S INITIAL STAGE. IT MUST BE STOPPED. Plesse please do not ruin Clymping + surrounding areas that would dramaticlally be affected + not 4 the better
