Comment for planning application wSCC/036/20	
Application number	WSCC/036/20
Name	Philippa Greenan
Address	TACKLEE ROAD, 35, TACKLEE ROAD, ARUNDEL, BN18 0HB
Type of Comment	Objection
Comments	The proposed development is going to be visible and to dominant from our village. The waste traffic will clog up already busy road. This proposal will be seen for miles around and is similar in height to buildings in central London. Residential developments proposed in both Ford and Yapton as well as existing developments will be impacted by the increased traffic which is a great concern to the residents. The existing waste recycling site is not permitted to come through the village but this is ignored.
