## Comment for planning application WSCC/036/20

Application number	WSCC/036/20
Name	Jennifer Diggance
Address	41, Johnson Way, Ford. Arundel. BN180TD
Type of Comment	Objection
Comments	I suppose I could be accused of NIMBY, but please Planners give this some serious thought. 1. Volume of traffic in this area is already exploding with the new builds. 2. The roads around this area for access onto the proposed site are not good enough. 3. The scale and height of this proposal are just not acceptable. This area with Arundel the Downs and the country side is a beautiful area, it attracts many visitors. Surely you do not want to be responsible for allowing a blot like that.
