Comments	To whoever this concerns, no one who lives in Yapton and Ford want an industrial waste site here. You will de value houses making it harder for people to sell and therefore you will have to lower council tax and lose money. Having a waste site here will make the area polluted and with all the building you keep doing in this area is slowly turning our beautiful villages into towns and it is not ok to keep taking our green spaces and polluting them! This place has families and children! It's not needed so this is my objection!
