## Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 Paul Woodward

Type of Comment	Objection
Comments	This is not a suitable sized building for the area and along with the proposed nearby housing developments it will increase traffic and lower house prices. This will lower the quality of Ford, Yapton, and Climping. I'm sure there can be a more suitable location for this building - not in a rural village location. It stands to reason, small rural villages are suitable for small buildings, big industrial towns are suitable for big buildings. Please re-site this ridiculously big building somewhere more appropriate. Thank you Paul Woodward
