Comment for planning application WSCC/036/20

Application number	WSCC/036/20
Name	Vivienne Hankins
Address	TIMBERLEYS, 43, TIMBERLEYS, LITTLEHAMPTON, BN17 6QA
Type of Comment	Objection
Comments	I object to this planning application, as in my opinion the area is not suitable for a waste facility and ancillary services. I feel it will be a detriment to the area and could in the future cause pollution Bringing in waste from other areas to our rural environment will be a detriment to the area. The roads are in a terrible state and will only be worsened by lorries constantly arriving and leaving the site. The chimney will be visible from all around and not what visitors or residents want to see.
