Address	WILSON COURT, 9, WILSON COURT, ARUNDEL, BN18 0NQ
Type of Comment	Objection
Comments	Wile walking my dog in the daytime, she chased a big rat into the field opposite the Grundon site. Also the vast increase in large numbers of seagulls, going in and out of the open doors. I have gone passed the site many times and have only seen the doors shut once. Some times the smell from the site is so horrible, I have to keep my windows shut in sunny weather. Why has the already permitted planning not been built upon.
