Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 Alison Wilkinson
Address	DALLOWAY ROAD, 28, DALLOWAY ROAD, ARUNDEL, BN18 9HW
Type of Comment	Objection
Comments	It is always a hard balance between the public needs and the public concerns but I mus object most strongly to the siting of this incinerator due to the other proposed plans for the Ford area. I do not see how siting such a large incinerator can sit well alongside a large housing development already approved and the proposed developments in the pipeline. The increased traffic will also be a huge concern, especially as it is unlikely the A27 bypass to Arundel, which would have allowed easier access to the lorries using the site, is unlikely to happen especially given that the money has undoubtedly now got to be reallocated due to the cost of the coronavirus. That means lorries will continue to use the narrow Ford Road access from the A27 at Arundel and the equally congested A259 at the Climping/Ford Road roundabout. I therefore strongly urge you to reject this application.
