Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 John Stanton
Address	LITTLE BRAKE, BURNDELL ROAD, BURNDELL ROAD, ARUNDEL, BN18 0HT
Type of Comment	Objection
Comments	I wish to record an objection for the following reasons. This is near a residential area with yet more houses planned on the airfield site. The size of the proposed building and it's chimney would be visible for miles, being higher than the spire on Chichester Cathedral. The dust fumes and smell affecting quality of life for nearby residents especially those with breathing difficulties. The extra traffic of 120 maximum weight HGV movements per day adding to the pollution, congestion and damaging local roads. If more energy is required why not a solar farm instead? That option would not need the high intrusive building proposed.
