Type of Comment	Objection
Comments	This enormous structure is not appropriate for the borders of the South Downs national park. It is environmentally disastrous for the whole of the local area and for several miles beyond. This is excessive in size will overwhelm the neighbourhood and will detrimentally contribute to the health and well-being of local residents and those slightly further afield. The South Downs is an area of outstanding beauty and this will deter people from visiting will be an eyesore and blot on the landscape and will be detrimental to tourism in the locality thus having a major financial impact on Arun.
