Comment for planning application WSCC/036/20

Application number	WSCC/036/20
Name	Debbie Grinstead
Address	UPTON GARDENS, 52, UPTON GARDENS, WORTHING, BN13 1DA
Type of Comment	Objection
Comments	Th height of this would be an utter blot on the landscape. It will be taller than anything else including Chichester cathedral. The spread of pollution over Sussex will be horrific. The south is already the most polluted part of the country. It will be devastating to the area .People with respiratory illnesses and also whilst covid 19 is around.
