Comment for planning application WSCC/036/20

Application number	WSCC/036/20
Name	Daniel Wheele
Address	CLEVELAND ROAD, 7, CLEVELAND ROAD, WORTHING, BN13 2ET
Type of Comment	Objection
Comments	I have written this in order to heavily object to the construction of the waste incenerator chimney reference WSCC/036/20 the idea of plaguing the County with plumes of carcinogenic air/fumes is quite frankly ridiculous in a society where we should be encouraging the health of our people and future generations. This is a total step in the wrong direction and ultimately should not go ahead in any way shape or form.
