## Comment for planning application WSCC/036/20

Application number	WSCC/036/20
Name	Felicity Jay
Address	CHAPEL CLOSE, 14, CHAPEL CLOSE, LITTLEHAMPTON, BN17 7EA
Type of Comment	Objection
Comments	This is a shocking and disgusting, monster blot on the beautiful landscape and will ruin views of and from the South Downs National park and other local areas of outstanding beauty. It would be an abomination on the landscape and viable and more sympathetic alternatives should be found. The height of the chimney would mean it was visible from too far and would completely ruin and industrialise a beautiful and historic landscape. It must not be allowed.
