Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 Kerina Francis
Address	ELM GROVE SOUTH, 52, ELM GROVE SOUTH, BOGNOR REGIS, PO22 0EL
Type of Comment	Objection
Comments	What a totally unsuitable area to build on. What an idiotic idea. It's bad enough that so much housing development has been allowed, even on green belt and destroying protected species like bats and lizards next to me. How are the roads supposed to cope with the lorries and additional traffic? Some of the roads are unsuitable for lorries. What about the local residents being so close and the negative effects to them? How can anything so big be suitable for what are supposed to be villages? If this goes through, it will just prove how completely corrupt WSCC appear to be and that opinion is because my father worked in the planning department before he retired.
