Address	HAYLING RISE, 113, HAYLING RISE, WORTHING, BN13 3AQ
Type of Comment	Objection
Comments	This monstrosity shouldn't even be a consideration, it is a totally out of keeping with the area, far to close to neighbouring houses, and the pollution it will cause will be very harmful to all that live in the area. My elderly mother lives very close and I am very concerned for her health, especially in the times which we are currently living in.
