Comment for planning application WSCC/036/20

Application number	WSCC/036/20
Name	Lee Matthews
Address	MEADOWSIDE, 45, MEADOWSIDE, LITTLEHAMPTON, BN16 4BW
Type of Comment	Objection
Comments	I have a young family and would have serious concerns in terms of pollutants being released by this facility and the resulting potential harm to both the surrounding environment and residents likely to be affected due to airborne pathogens travelling in prevailing winds. I would recommend you site a facility this magnitude away from built up areas. I am opposed to this development.
