Comment for planning application WSCC/036/20

Application number Name	WSCC/036/20 Emily Bellenie
Address	CANTERBURY ROAD, 29, CANTERBURY ROAD, WORTHING, BN13 1AQ
Type of Comment	Objection
Comments	I hereby object to the application for a new energy recovery facility in ford for the following reasons: - Proximity to the South Downs (AONB) - Proximity to residential housing - Traffic impact, hundreds more huge lorries each day, some coming from well outside West Sussex - Road access, Church Lane is wholly unsuited to this type of traffic, as it is a narrow unclassified road at the heart of Clymping village - Visual impact, it will be detrimental to the wider area over a considerable distance - Emissions, unknown impact from gas, smells or other noxious substances on surrounding area - Safety, in the event of a plant breakdown, fire or other catastrophic event Conclusion: this is a totally unsuitable site for a plant of this size, scale and type of operation.
