Comments	We strongly object to this planning application. My wife and I have only recently moved into this lovely area and we live off Horsemere Green Lane. To our disappointment housing developments for 300 houses are going ahead behind us and further housing estates on the airfield are proposed. With the industrial estate nearby we already get a large number of lorries, vans and heavy goods vehicles travelling around our local roads (many of them being skip lorries). We would strongly object to this proposed Waste Management site not least of all because we did not come to live in Climping to live in the middle of an industrial estate. The whole nature of this "green belted" area would be completely ruined.
